INVESTMENT OBJECTIVE AND STRATEGY

Investment Objective: Ress Life Investments aims to provide long-term uncorrelated returns in US dollars with a low volatility.

Strategy: Ress Life Investments selectively purchases US life insurance policies. The primary strategy is to hold the insurance policies until they pay out. The secondary market offers investors the opportunity to acquire life insurance policies at a discount to face value.

The investment manager has developed proprietary models for portfolio management and pricing in order to optimise returns when purchasing policies. Resscapital also collaborates with medical experts to assess longevity calculations on each policy acquired.

Target: Annual net return of 8-10% in US dollars.

WHY INVEST?

Risk diversification: Longevity, the main risk factor, is uncorrelated to equities, hedge funds and most other financial risk factors.

Stable performance: Realised volatility is 3.4% and the Sharpe ratio is 1.0 during the last ten years.

Capital preservation: The strategy is suitable for investors where capital preservation is a key consideration.

Sustainability: The fund is classified as Article 8 of the Sustainable Finance Disclosure Regulation (SFDR).

Exchange-traded: Ress Life Investments is listed on Nasdaq Copenhagen and a market-maker provides daily prices.

INSURANCE COMPANY RATING

RISK MANAGEMENT

Policies are thoroughly analysed and at least two expert opinions are obtained on life expectancies, prior to purchasing.

Portfolio risks and limits on portfolio diversification across insurance companies, life expectancies, age groups, etc. are monitored continuously.

The Fund only transacts with brokers who are registered and authorised, and all brokerage fees must be disclosed in a clear and transparent manner to the seller.

Diligent credit risk assessment with limits on each insurer has created a diversified life insurance portfolio. Policies are issued by around 60 different US life insurers. Over 90% of the policies are issued by insurance companies with a credit rating of A or higher (AM Best).

PEOPLE

Gustaf Hagerud: Managing Director of Finserve Nordic AB and Valuation Manager, was previously Head of Asset Management at the public pension fund AP3 in Sweden and has over 35 years' experience in asset allocation and investment management.
